

Abingdon School English
Department Presents...

‘COVID CHRONICLES’
Writing Competition

We invite students and staff to respond to the experience of living through a global pandemic.

Inspired by Radio 4’s *Covid Chronicles* feature, we are inviting you to submit a piece of fiction or non-fiction which reflects your own unique perspective on the current situation.

You can respond in any form you wish: a short story, a poem, song lyrics, diary entry, letter, article, account, interview. **It should be no longer than 400 words.**

The best entries will be collected in an anthology to be printed and published and there will be prizes for outstanding work.

All entries should be emailed to matthew.coolin@abingdon.org.uk by Wednesday 24th June.
