**Re: Connection of new water service for ST HELENS & ST KATHERINES
FARINGDON ROAD ABINGDON, OX14 1BE**

It is necessary for us to carry out works for a new water connection between **19/11/2022 – 22/11/2022** within the hours of **08:00 – 17:00**. This will **not** affect your supply.

We would be grateful if you could **avoid parking** in close proximity to this location. It may be advisable to move any cars prior to this time.

Access will remain available to residents and emergency vehicles at all times. We would ask for your co-operation to keep the area clear of vehicles.

We may need to place cones in areas where access is required to our apparatus and to allow our vehicles to park in close proximity. **Please do not remove these cones**, as this will delay the works going ahead.

Whilst we will do our best to keep disruption to a minimum, the very nature of this type of work means that some disruption is inevitable.

We thank you in advance for your understanding and co-operation on this matter and apologise for any inconvenience caused. Any problems please call the planning office 0203 577 9050 during office hours 08:00 - 17:00 or Out of Hours 0800 316 9800.
