

From: Head of Wellbeing, Paul Gooding

20 April 2023

## **Relationships & Sex Education (RSE) and the PSHCE Programme of Study for students 2022-23**

### **Summer term update 2023**

Dear Parents

First, [HERE](#) you can find the “*Sex and Relationships Education Policy*” for the school.

We are keen to support you as parents and carers and I do hope we can very much work in tandem in this key area of student development. They will no doubt have questions along the way. To this end for parents we would recommend that you bookmark the “Young Minds” website [HERE](#) and “The Mix” website [HERE](#). Do also follow us on Twitter [@Ab Wellbeing](#) where we will be posting various RSE updates. Please also look out for regular webinars, via the weekly mailing, to support parents and carers on a variety of topics.

Our next webinar for parents and carers will be held on **Wednesday 26 April at 7.30pm** and the topic will be working towards positive mental health and wellbeing with Dr Mei Simmons, a local consultant psychiatrist. This will be part of a wider OX14 event. Please add this date to your diary and we look forward to seeing you there. Further details will be in the mailing.

Please find below a more detailed guide to the programme for the term ahead. The students are also supported throughout their journey in the school by their tutors, housemasters, heads of section, the health centre staff, the school counsellors, the school chaplaincy as well as a comprehensive set of *wellbeing webpages* available on Firefly. Do ask them to bookmark the latter page on Firefly, it will be very helpful to them as they journey through the school.

Many other RSE topics are also covered by the Biology curriculum as detailed in our Sex and Relationships policy at the first link above. I am also pleased to say that we are finishing the roll out of “*Youth Mental Health First Aid*” training to all our teaching staff. This training is led by our own team of in house instructors drawing upon MHFA England resources. This is superb training and really bolsters the quality of our RSE and PSHCE provision and general pastoral care that we can offer the students.

### **Lower School 22-23**

Lower School students have RSE sessions which operate alongside the *Be More Griffen Programme*. These are led by their form tutors. They is a termly assessment and the programme is also backed up by external presentations as detailed below. Topics are taught in an age appropriate manner and are designed to be fun, relevant and interactive.

Abingdon School, Park Road, Abingdon, Oxfordshire, OX14 1DE

### Middle School 22-23

In the 3rd and 4th year PSHCE and RSE is taught by teachers in groups of 12 students. In the 5th form PSHCE and RSE is taught by tutors within house groups. There are regular assessment points and topics are taught in an age appropriate manner. We have worked to include student voice videos and podcasts in our programme in order to keep the content relevant, interactive and up to date for the students.

### 6th form 22-23

The L6 and U6th have a series of "Mindsets" lessons with their tutor some of which cover RSE content as detailed below. The 6th form also have a half termly lecture programme to bolster our RSE provision. In addition the U6th have enrichment roundabout lessons (ER) which cover a range of RSE topics and allow us to respond to contemporary topics such as "Everyone is Invited", consent, healthy relationships as well as equality, diversity and inclusion.

L6th tutor led sessions	U6 tutor led sessions and other teacher led sessions
L6 Mindsets 3 - Stress and sleep hygiene	U6 Mindsets 4 - Festivals and harm reduction
L6 Mindsets 4 - Positive masculinity	U6 Mindsets 5 - Wellbeing at university
L6 Mindsets 6 - Managing anxiety and mental health	

L6 Mindsets 7+8 - Suicide awareness	U6 ER course - LGBTQIA+ inclusion
L6 Mindsets 9 - LGBTQIA+ summer term	U6 ER course - Navigating consent
	U6 ER course - Healthy Relationships
	U6 ER course - Food and healthy eating
	U6 ER course - Pleasure traps and addiction

### 6th form lectures 22-23
