

FREE AND SUBSIDISED PLACES

At Abingdon, we are very proud of the breadth and depth of our curriculum, the quality of our teaching and learning and the extent of our co-curricular programme which gives our students the opportunity to embrace a wide

range of activities across the arts, sciences, sport and within our local community, and so equip them with essential skills to prepare them for life beyond school.

We believe wholeheartedly that this extraordinary education should be made available to as many young people as possible, which is why Abingdon School offers a number of free and subsidised places to local day pupils who would otherwise not be able to afford full school fees. These free and subsidised places can be worth up to 100% of day fees and we currently have 74 students who are benefiting from fee assistance at Abingdon.

More information is available on our website abingdon.org.uk, or by emailing Clare Butcher bursary@abingdon.org.uk.

All enquiries are treated confidentially.

ABINGDON

FREE AND SUBSIDISED PLACES

Pupils must be registered to apply. Families with one or more of these criteria would not normally be considered eligible for a free or subsidised place.

Small or no mortgage on your home

Ownership of two or more properties

Those not maximising household earnings

Household income of more than £100,000 and / or material equity in property or other assets

One or more new or expensive cars

Frequent or expensive holidays

Significant recent home improvements

Priority is given:

- to those who perform best overall in our entrance process;
- to those who it is felt will be likely to gain most from an Abingdon education;
- and to UK families who live locally.
